Journal Pre-submission Peer Review

Get a detailed point-by-point peer-review report of your manuscript.

Journal Pre-submission Peer Review

A good, and outstanding research manuscript has beautifully conceived ideas that open up a new area and are critical of previous work in the area. Our peer reviewer team scrutinize the manuscript from a level of ambiguity within the article, or certainty and provide following one of the recommendations viz., without the requirement for revision OR, subject to minor nominated revisions, OR major nominated revisions to the satisfaction OR substantially revise.

Engaging Experienced PhD Experts

PhD Experts provide detailed peer review report to the manuscript before submission to your target journal. PhD experts enhance the manuscript quality and thereby increase the chances of success. Our panel of domain experts scrutinize your research from all the perspectives and provide suggestions and recommendations for improvement.
