PhD Pre-submission Peer Review

Get a detailed point-by-point peer-review report of your doctoral dissertation.

PhD Pre-submission Peer Review

A good, and outstanding PhD work has beautifully conceived ideas that open up a new area and are critical of previous work in the area. Our peer reviewer team scrutinize the thesis from a level of ambiguity within the thesis, or certainty and provide following one of the recommendations viz., without the requirement for revision OR, subject to minor nominated revisions, OR major nominated revisions to the satisfaction OR substantially revise.

Engaging Experienced

PhD Experts provide detailed responses to the examiner comments on the submitted version of the doctoral thesis. Whether its minor or major comments, no matter, our experts make conscious effort to address all those comments considering both at the satisfaction of examiners and the level required for the thesis. PhD Experts have addressed more than 5000+ viable responses in wider subject areas with concise, clear and complete, with ideas being logically built upon each other to justify a study.

Features

- If you are not satisfied with the thesis plagiarism correction, PhD Assistance will re-edit at free of cost.

- Additional Content: If additional content been added after our editor's works on the thesis, PhDAssistance editors will not re-edit your thesis and doesn't cover under guarantee. But you can resubmit your thesis as a new order with an additional discount.

- Our advanced and elite plagiarism correction services offer robust editing support for the customer who seeks for greater assistance. In this case, we will re-edit the thesis until the satisfaction of the client. If in case, the supervisor or mentor or the university highlights the issue in a manuscript edited by PhD Assistance, we would like to know the reason, and we will reply with the solution within 1 business day.
