

# Government and Public data

Get secondary data collection services for your Research

## Government and Public data

PhD Assistance provide secondary data collection service exclusively from government database. The data that our experts can collect includes Indian trade journals, reports on currency and finance, customs and central excise tariff, statistical abstracts, labour data, census data, agriculture data, and many more. The reports published by international agencies such as WHO, UNO, ILO, FAO, IBRD and WMO etc will be part of secondary data and where our experts have a hands-on experience in collecting those data. The following services are provided under secondary data collection

- Data collection from government sources
- Private Publications (e.g. NCERT, Economic growth)

- Newspaper and magazines
- International Bodies (e.g. FAO)
