SHAZAM Expert

Hire SHAZAM Expert for the estimation and testing of many types of regression models.

SHAZAM Expert

PhDAssistance provides SHAZAM Analyses services, where you can hire SHAZAM Trained experts who have experts in using regression and modeling using SHAZAM. Our SHAZAM experts have a quite record of delivering high quality services to our researchers including econometricians, statisticians, biometricians, sociometricians, psychometricians, politicometricians and others who use statistical techniques. Our services under SHAZAM includes

- Descriptive statistics

- Price indexes calculation

- Moving average, exponential smoothing, seasonal adjustments, financial time series

- ARIMA (Box-Jenkins) time series models, Dickey-Fuller and Phillips-Perron unit root tests, tests for cointegration, nonparametric

density estimation

- Fuzzy set models

- Regression with non-normal errors including Poisson regression, beta regression, exponential regression

- OLS estimation, generalized least square, restricted least square, weighted least square, distributed lag models, estimation with autoregressive or moving average errors, ARCH and GARCH models, box-cox regression, probit, logit models, generalized entropy methods

- Nonlinear least square, estimation of systems of non and linear equations by SURE, 2SLS and 3SLS, generalized methods of moments (GMM), pooled time series cross-section methods

- Linear programming, minimizing and maximizing nonlinear function, solving nonlinear simultaneous equations

Subjects

- Social Science
- Medical Science
- Life Science
- Business & Economics
- Physical Science

List of Universities we serve

University of Oxford

University of Cambridge

Imperial College London

Swiss Federal Institute of Technology Zürich

University College London

ABOUT US

PhD Assistance is world's reputed academic guidance provider for the past 25 years have guided more than 15,900 PhD scholars across the globe. We support research scholars, entrepreneurs, and professionals from various organizations in providing consistently high-quality writing, editing and data analysis services every time. We value every client and make sure their requirements are identified and understood by our specialized subject matter experts and analysts, enriched in experience to deliver technically sound output within the requested timeframe. Experts at PhD Assistance are best referred to as 'Researchers' since every topic they handle unique and challenging.
