## Telephone Surveys

Get Your Telephone Surveys done by Experts

## Telephone Surveys

Conducting surveys via telephone is one of the common and most important survey models. PhD Assistance provides telephone surveys where telephone interviewing will be conducted using the standard methodology (e.g. random digit dialling) shared. Our experts ensure to conduct telephone interviewing based on your specifications covering wide demographics and languages. We not only provide telephone interviewing service but also methodology to collect, create a form, process flow, software to be used and relevant tools for analysing the data.

- Telephone Survey (per data)
